CHAPTER 5:
LET'S STUDY

Tōroniyakin Utsu is a Japanese economist who was well known for restoring the economy of his small Fushū district through agricultural development. His household was poor but he was a self taught person and achieved great wealth in his twenties.

NO,
CLASSIC
LITERATURE.

KIKAKU-
SAN, DO
YOU TEACH
MATHEMA-
TICS AT
SCHOOL?

YOU
SEPARATE
THE SUBORDI-
NATE FACTOR
AND THE
CONSTANT
TERM IN TWO
PARTS AND
YOU CAN
FIND THE
COMBI-
NATION.

IF THAT
PART IS
FACTORIZED
AND YOU
CROSS-
MULTIPLY.

EH?
ERM, YES,
LIKE THIS.

LIKE
THIS...

LOOK, YOU
DON'T HAVE TO
EXCHANGE THE
TOP AND BOTTOM
FRACTIONS. THINK
OF WHAT IS THE
CORRECT AMOUNT
OF X.

OOOPS.

THAT'S
RIGHT,
GOOD
JOB!

AH
IT'S -24
COMBI-
NED!

TUN absolutely untranslatable joke. She says let's like
the MC of a horse VN who makes other people fall in love
despite acting super normally with a very specific tone.

START!

WE WILL
START AT
EXACTLY
THREE.
THIS TEST
TAKES FIFTY
MINUTES TO
COMPLETE.

ALRIGHT
THE SHEET IS
TURNED BACK.
PUT DOWN
YOUR PENCIL.
PUT YOUR
HANDS ON
YOUR KNEES...

GO BEFORE
YOU START

CAN I GO TO
THE BATHROOM?

WHAT?

EXCUSE
ME...

年相応な笑顔を見せられた。次回、はじめての衝突!?
